S-A BUDGET MESSAGE W.S. 16-4-104(d)

The Redstone Upper Green River Special Improvement District (RUGRID) will maintain financial obligations in accordance with RUGRID's policies of maintaining and repairing existing roads, bridges, and fences located within the district boundaries. RUGRID has allocated budget expenses for administrative purposes of general business paperwork on an annual basis and allowed for additional funds to be expensed out for professional services that may occur in the advocacy of engineering a major repair to the Rock Creek Road bridge over the Green River in the assessment of rebuilding of the bridge, and to the bridge on River Road. Due to excessive deterioration and wear of the existing wood infrastructure of both of the bridges there is probable cause to have an entire make over of the bridges constructed. Annual maintenance of the bridges will consist of replacing deck boards as damages occur. General maintenance will consist of any other repairs of damages to the structural portions of said bridges.

S-B RESERVE DESCRIPTION

RUGRID maintains a reserve fund (savings account) for emergency funding beyond general maintenance of roads, bridges, and perimeter fences. The reserve fund may be used if occurrences of extensive damages to the existing bridges occur within in this fiscal year.
